

# Annual Index

## President's Pages

Best, M.  
Volume 6, Number 3, 2001  
Page 100

Hunt, D. L.  
Adapt and Grow...  
Volume 6, Number 1, 2001  
Page 4

Hunt, D. L.  
What's in a Name?  
Volume 6, Number 2, 2001  
Pages 56-57

## Editor's Page

Knudsen, R. C.  
Volume 6, Number 1, 2001  
Page 5

## Letter to the Editor

Hadar, J.  
Volume 6, Number 2, 2001  
Page 58

## Articles

Cole, E. C.  
Professional Specialty Cleaning: A Critical Element of  
Fungal Reservoir Control in Homes of the  
Immunocompromised and Hypersensitive  
Volume 6, Number 2, 2001  
Pages 64-67

Cole, E. C., & Lantrip, B. M.  
Suggested Practice for Remediation of Highly  
Infectious Biological Agent Contamination in  
Indoor Environments  
Volume 6, Number 3, 2001  
Pages 136-138

Dowdle, W. R., Featherstone, D., & Sanders, R.  
Biosafety Implications of Polio Eradication  
Volume 6, Number 1, 2001  
Pages 13-18

First U.S. Biomedical Seminar on the Transportation  
of Infectious and Diagnostic Substances  
Volume 6, Number 2, 2001  
Pages 59-63

Hawley, R. J., & Eitzen, E. M. Jr.  
Biological Weapons—A Primer for Microbiologists  
Volume 6, Number 3, 2001  
Pages 101-116

Johnson, B., Mastnjak, R., & Resnick, I. G.  
Safety and Health Considerations for Conducting  
Work with Biological Toxins  
Volume 6, Number 3, 2001  
Pages 117-135

Knudsen, R. C.  
Risk Assessment for Working with Infectious Agents in  
the Biological Laboratory  
Volume 6, Number 1, 2001  
Pages 19-26

Krinitzyn, L. A., Stavsky, E. A., Netesov, S. V., Edapin,  
A. S., Danyaev, V. A., Pyankov, O. V., & Bulychev,  
L. E.  
Comparative Analysis of the Methods for Determining  
the Efficiency of Air-Purification Filters Using

Diocetyl Phthalate and Turbine Oil Aerosols  
Volume 6, Number 1, 2001  
Pages 6-12

McGurk, J. S.  
Positive Benefits Arise from Hospital Pollution  
Prevention Programs  
Volume 6, Number 2, 2001  
Pages 68-71

*Morbidity and Mortality Weekly Reports (MMWR)*  
Laboratory-acquired Human Glanders—Maryland,  
May 2000  
Volume 6, Number 1, 2001  
Pages 27-29

### Special Features

Meyer, R. F., & Knudsen, R. C.  
Foot-and-Mouth Disease: A Brief Review of the  
Etiologic Agent and the Disease Which It Causes  
Volume 6, Number 1, 2001  
Pages 30-33

Packaging Critical Biologic Agents  
Volume 6, Number 2, 2001  
Pages 72-74

### Capsule

Krisiunas, E.  
Volume 6, Number 1, 2001  
Page 34

Krisiunas, E.  
Bioterrorism Links  
Volume 6, Number 3, 2001  
Pages 139-140

Krisiunas, E.  
Protection of Health Care Workers on Two Fronts!  
Volume 6, Number 2, 2001  
Page 75

### Ask the Experts

Keene, J. H.  
Volume 6, Number 1, 2001  
Pages 36-37

Keene, J. H.  
Volume 6, Number 2, 2001  
Pages 76-77

Keene, J. H.  
Volume 6, Number 3, 2001  
Pages 141-142

### Regulatory Affairs

Salkin, I. F.  
Volume 6, Number 1, 2001  
Pages 38-39

Summary: Management of Occupational Exposures to  
HBV, HCV, and HIV  
Volume 6, Number 2, 2001  
Pages 78-84

### Innovations

Cole, E. C.  
Rapid Assessment of Mold Contamination on  
Environmental Surfaces  
Volume 6, Number 1, 2001  
Page 40

Cole, E. C.  
Rapid Test for West Nile Virus in Mosquito Vectors  
Volume 6, Number 2, 2001  
Page 85

### New Publications

Sondrini, M. A.  
Volume 6, Number 1, 2001  
Page 41

**The Training Exchange**

Sondrini, M. A.  
The Importance of Understanding Communication  
Styles When Teaching  
Volume 6, Number 1, 2001  
Page 42

**Using the Web**

Fink, R. C.  
Using the Web to Write or Modify a Biosafety Manual  
(BSM)  
Volume 6, Number 1, 2001  
Page 43

**ABSA Corner**

**Position Papers**

Hunt, D. L.  
Arthropod Containment  
Volume 6, Number 1, 2001  
Pages 46-47

Hunt, D. L.  
Federal Register  
Volume 6, Number 2, 2001  
Page 93

Hunt, D. L.  
HIV Prevention  
Volume 6, Number 1, 2001  
Pages 44-45

Hunt, D. L.  
NCCLS M29-2A  
Volume 6, Number 2, 2001  
Pages 86-92

Hunt, D. L.  
Recombinant DNA  
Volume 6, Number 1, 2001  
Pages 48-49

**Announcement**

New NRM Registrants 2001  
Volume 6, Number 2, 2001  
Page 143

**IMPORTANT .....IMPORTANT.....IMPORTANT.....IMPORTANT**

A change of address notice should be sent at least six weeks in advance to the ABSA National Office to ensure that all mailings, including the journal and newsletter, will reach you. ABSA is not responsible for misrouted mail as a result of insufficient notification of an address change. Undelivered copies resulting from an insufficient address change notification will not be replaced, but single issues may be purchased at the single issue price.
