

ABSA Sponsored Professional Development Activities	Location	Date	CM Points Awarded
Principles and Practices of Biosafety	St. Paul, MN	6/19-23/06	5.00
Engineering for Biosafety Professionals	Durham, NC	8/28/2006	1.00
Real World Risk Assessment	Durham, NC	8/29/2006	1.00
Review Course for the Biosafety Exam in Biological Safety	Boston, MA	10/12-13/2006	2.00
Fundamentals of BSL-4 Containment	Boston, MA	10/12/2006	1.00
Microbiology and Molecular Biology 101	Boston, MA	10/13/2006	0.50
Biological Toxins: Science & Safety	Boston, MA	10/13/2006	0.50
Advanced Disinfection	Boston, MA	10/13/2006	0.50
Occupational Health Surveillance & Monitoring in Biological Laboratories	Boston, MA	10/13/2006	0.50
BSL-3 Operations: From Program Development to Implementation	Boston, MA	10/14/2006	1.00
Biohazard Risk Assessment	Boston, MA	10/14/2006	1.00
Using Viral Vectors in Animal Models	Boston, MA	10/14/2006	0.50
Microbiology and Indoor Air Quality	Boston, MA	10/14/2006	0.50
Train the Trainer: Biosafety for Security & Municipal Responders	Boston, MA	10/14/2006	0.50
Overview of LAIs to Select Agents and Medical Management	Boston, MA	10/14/2006	0.50
Introduction to OSHA for Biosafety Professionals	Boston, MA	10/14/2006	0.50
Export Control(Dept. of Commerce) International Traffic Arms Regulations/Office of Foreign Assets Control	Boston, MA	10/14/2006	0.50
Laboratory Incident Investigation and Risk Management Techniques	Boston, MA	10/14/2006	0.50
Biosafety Program Management	Boston, MA	10/14/2006	0.50
Fundamentals of Aerobiology	Boston, MA	10/15/2006	1.00
Fundamentals of Biosafety	Boston, MA	10/15/2006	1.00
Responding t Emergencies in Biological Laboratories	Boston, MA	10/15/2006	1.00
The Transport of Diagnostic & Infectious Samples - IATA Certification Course	Boston, MA	10/15/2006	1.00
Overview of Laboratory Biosecurity Principles	Boston, MA	10/15/2006	0.50
Auditing for Safety Professionals	Boston, MA	10/15/2006	0.50
Managing a Laboratory Biosecurity Program	Boston, MA	10/15/2006	0.50
Avoiding "Death by PowerPoint": Mixing it up in the Classroom	Boston, MA	10/15/2006	0.50

ABSA Sponsored Professional Development Activities	Location	Date	CM Points Awarded
Scientific Program	Boston, MA	10/16-18/06	3.00
Principles & Practices of Biosafety	Portland, OR	3/12-16/07	5.00
Review Course	Chicago, IL	7/22-23/07	2.00
Considerations for Working With Animals	Chicago, IL	7/24/2007	1.00
Basic Disinfection	Chicago, IL	7/24/2007	0.50
Responding to Emergencies in Biological Laboratories	Chicago, IL	7/25/2007	1.00
Overview of Permitting Procedures	Chicago, IL	7/25/2007	0.50
The Web as a Tool	Chicago, IL	7/25/2007	0.50
ABSL-3 Facilities Design to Operations for Small, Medium, and Large Animals	Nashville, TN	10/4/2007	1.00
BSL-3 Operations: From Program Development to Implementation	Nashville, TN	10/4/2007	1.00
Fundamentals of Aerobiology	Nashville, TN	10/5/2007	1.00
ABSL-3 Facilities Design to Operations for Small, Medium, and Large Animals	Nashville, TN	10/5/2007	1.00
Industrial Hygiene for Biosafety Professionals	Nashville, TN	10/5/2007	1.00
Basic Virology & Various-Based Gene Vectors	Nashville, TN	10/5/2007	1.00
Gaseous Decontamination Methods: Past, Present, and Future	Nashville, TN	10/5/2007	0.50
Media & Risk communication Bet Practices for the Biosafety Professional	Nashville, TN	10/5/2007	0.50
Determining Appropriate Levels of Redundancy in the Power Systems for Biocontainment Facilities	Nashville, TN	10/5/2007	0.50
Biohazard Risk Assessment	Nashville, TN	10/6/2007	1.00
Effective Biosafety Committees	Nashville, TN	10/6/2007	1.00
Business Continuity Planning	Nashville, TN	10/6/2007	1.00
Select Agent Compliance From a Federal Perspective	Nashville, TN	10/6/2007	1.00
Engineering for the Biosafety Professional	Nashville, TN	10/6/2007	1.00
Molecular Biology 101	Nashville, TN	10/6/2007	0.50
Pathogen Stability in the Work Place	Nashville, TN	10/6/2007	0.50
Fundamentals of Microbiology and Infectious Diseases	Nashville, TN	10/6/2007	0.50

ABSA Sponsored Professional Development Activities	Location	Date	CM Points Awarded
Export Control(Dept. of Commerce) International Traffic Arms Regulations/Office of Foreign Assets Control	Nashville, TN	10/6/2007	0.50
BSL-3 Operations: From Program Development to Implementation	Nashville, TN	10/7/2007	1.00
Fundamentals of Biosafety	Nashville, TN	10/7/2007	1.00
The Transport of Diagnostic & Infectious Samples - Certification Course	Nashville, TN	10/7/2007	1.00
Managing a Laboratory Biosecurity Program	Nashville, TN	10/7/2007	0.50
Introduction to OSHA for Biosafety Professionals	Nashville, TN	10/7/2007	0.50
Microbiology and Indoor Air Quality	Nashville, TN	10/7/2007	0.50
International Effective Biosafety Committees	Nashville, TN	10/7/2007	0.50
Physical Security for Bioscience Laboratories	Nashville, TN	10/7/2007	0.50
Safe Techniques Advance Research Science (STARS)- The NIH Biosafety Program for Visiting University & High School Students	Nashville, TN	10/7/2007	0.50
Moving Participants from Knowing to Doing: Effective Training Strategies for Today's Biosafety Officer	Nashville, TN	10/7/2007	0.50
Scientific Program	Nashville, TN	10/8-10/07	3.00
Principles & Practices of Biosafety	Austin, TX	1/14-18/08	5.00
Principles & Practices of Biosafety	Rochester, NY	8/4-8/08	5.00
Review Course	Baltimore, MD	6/23-24/08	2.00
BSL-3 Laboratory Comprehensive Design approaches	Baltimore, MD	6/25-26/08	2.00
Risk Communication & High Containment Laboratories: Minimizing Public Outrage Associated with Infectious Diseases	Baltimore, MD	6/25/2008	1.00
Real World Risk Assessment	Baltimore, MD	6/26/2008	1.00
Special Considerations for Working with AG Pathogens	Reno, NV	10/16/2008	1.00
Fundamentals of BSL-4 Containment	Reno, NV	10/16/2008	1.00
Integrating Your Biosafety Program into a Quality Management System	Reno, NV	10/16/2008	1.00
Risk Communication for Biosafety Professionals: Principles, Strategies, and Tools	Reno, NV	10/17/2008	0.50
Fundamentals of the Class III Biosafety Cabinet	Reno, NV	10/17/2008	0.50

ABSA Sponsored Professional Development Activities	Location	Date	CM Points Awarded
BSL-3 Operations	Reno, NV	10/17/2008	1.00
Sterilization- From Microbiological Basics to Applications	Reno, NV	10/17/2008	0.50
Principles and Practices of Gaseous and Vaporous Decontamination	Reno, NV	10/17/2008	0.50
Effective Biosafety Program Management Techniques for Improving Institutional Leadership Understanding and Support	Reno, NV	10/17/2008	1.00
Fundamentals of Aerobiology	Reno, NV	10/17/2008	1.00
An Introduction to the NIH Guidelines and the Oversight of Recombinant DNA Research	Reno, NV	10/18/2008	1.00
Case Studies in Biological Safety	Reno, NV	10/18/2008	0.50
Designing BSL-3 Mechanical Systems to Fail	Reno, NV	10/18/2008	0.50
Effective Use of Biological Safety Cabinets	Reno, NV	10/18/2008	0.50
Complying with US Export Control	Reno, NV	10/18/2008	1.00
Fundamentals of Microbiology and Infectious Diseases	Reno, NV	10/18/2008	0.50
Molecular Biology 201	Reno, NV	10/18/2008	0.50
Risk Assessment	Reno, NV	10/18/2008	1.00
The Transportation of Infectious and Diagnostic Samples	Reno, NV	10/19/2008	1.00
Personnel Security Within a Biosecurity Program	Reno, NV	10/19/2008	0.50
Physical Security for Bioscience Laboratories	Reno, NV	10/19/2008	0.50
Fundamentals of Biosafety	Reno, NV	10/19/2008	1.00
Engineering for the Biosafety Professional	Reno, NV	10/19/2008	1.00
Auditing for the Safety Professional	Reno, NV	10/19/2009	0.50
Incident investigation	Reno, NV	10/19/2008	0.50
Occupational Health Surveillance and Monitoring in Biological Labs and Animal Facilities	Reno, NV	10/19/2008	0.50
Scientific Program	Reno, NV	10/20-22/08	3.00
Principles & Practices of Biosafety	La Quinta, CA	2/1-6/09	5.00
Review Course	San Diego, CA	4/20-21/09	2.00
Animal Biosafety BSL-3	San Diego, CA	4/22/2009	1.00
Behavioral Based Training Strategies for Biosafety Professionals	San Diego, CA	4/22/2009	1.00
Biorisk Assessments: Methodologies and Tools	San Diego, CA	4/23/2009	1.00

ABSA Sponsored Professional Development Activities	Location	Date	CM Points Awarded
HazMat Transportation Training and Current Issues	San Diego, CA	4/23/2009	0.50
Emerging issues in Biosafety	San Diego, CA	4/23/2009	0.50
Principles & Practices of Biosafety	Chicago, IL	9/13-18/09	5.00
Nanotechnology for Biosafety Professionals	Miami, FL	10/15/2009	0.50
Waste Water Management for High Containment Laboratories	Miami, FL	10/15/2009	0.50
Basic Building Blocks of Biosafety	Miami, FL	10/15/2009	1.00
Introduction to USDA and CDC Permit Applications, Compliance, and ePermits	Miami, FL	10/15/2009	0.50
ICS 100: Introduction to the Incident Command System	Miami, FL	10/15/2009	0.50
Moist Heat Sterilization and Applied Cycle Development: From Micro Basic to Applied Sterilization Cycle Development for Use at your Worksite	Miami, FL	10/16/2009	0.50
Biosafety Level 3 Design - Back to Reality	Miami, FL	10/16/2009	0.50
Non-Human Primate Biosafety and Biosecurity in Biomedical Research	Miami, FL	10/16/2009	0.50
Working at Animal Biosafety Level 3 With Infectious with Infectious Substances, Considerations, and Challenges	Miami, FL	10/16/2009	0.50
Biosafety Training	Miami, FL	10/16/2009	1.00
Integrating Your Biosafety Program into a Quality Management System	Miami, FL	10/16/2009	1.00
Fundamentals of the Class III Biosafety Cabinet	Miami, FL	10/16/2009	1.00
Opportunities and Limitations with Electronic Training Solutions	Miami, FL	10/16/2009	0.50
The Biosafety Officer's Guide to Maintenance of a BSL03 Laboratory	Miami, FL	10/17/2009	0.50
Basic Threat Assessment in Laboratory Biosecurity Programs	Miami, FL	10/17/2009	0.50
Biological Risk Assessment - A Basic Course	Miami, FL	10/17/2009	1.00
Molecular Bio 101	Miami, FL	10/17/2009	0.50
Fundamentals of Microbiology and Infectious Diseases	Miami, FL	10/17/2009	0.50
BSL-3 Operations and Management	Miami, FL	10/17/2009	1.00
Effective Biosafety Program Management Techniques for Improving Institutional Leadership Understanding and Support	Miami, FL	10/17/2009	1.00

ABSA Sponsored Professional Development Activities	Location	Date	CM Points Awarded
IBC Basics: An Introduction to the NIH Guidelines and the Oversight of Recombinant DNA Research	Miami, FL	10/17/2009	1.00
Implementation of a Biorisk Management System in the Laboratory	Miami, FL	10/17/2009	1.00
Occupational Health Surveillance and Monitoring in Biological labs and Animal Facilities	Miami, FL	10/18/2009	0.50
A How-To Approach to Implementing Safety Management Systems in the Biological Laboratory	Miami, FL	10/18/2009	0.50
Case Studies in Biological Safety	Miami, FL	10/18/2009	1.00
The Transportation of Infectious and Diagnostic Samples	Miami, FL	10/18/2009	1.00
Introduction to Laboratory Biosecurity	Miami, FL	10/18/2009	0.50
Exercising Facility Biosecurity Plans	Miami, FL	10/18/2009	0.50
Molecular Biology and Viral Vectors	Miami, FL	10/18/2009	0.50
Concepts of Basic Virology	Miami, FL	10/18/2009	0.50
Engineering for the Biosafety Professional	Miami, FL	10/18/2009	1.00
The Annual Biosafety/Biosecurity Review Process	Miami, FL	10/18/2009	1.00
Scientific Program	Miami, FL	10/19-21/09	3.00
Principles & Practices of Biosafety	Ft. Lauderdale, FL	2/28/10 - 3/5/10	5.00
Certification Review Course	New Orleans, LA	3/15-16/10	2.00
Techniques for Managing & Improving Your Biosafety Program	New Orleans, LA	3/27/2010	1.00
BSAF - Export Controls for Biomedical Research	Stanford, CA	6/8/2010	0.50
ER Griffin/Eagleson/ABSA - Preventing and Treating Biological Exposures	Cambridge, MA	6/14-15/10	2.00
Principles & Practices of Biosafety	Portland, OR	7/11/10 - 7/16/10	5.00
MABioN - IBC Basics	Lexington, KY	8/10/2010	0.50
BSAF/BIONET Symposium - Current Topics in Biosafety	Berkeley, CA	8/13/2010	1.00
NIH/Eagleson Biosafety & Risk Assessment	Arlington, VA	6/24/2009	0.50
10th International Symposium on Biosafety - ABSA Co-sponsor	Atlanta, GA	2/9/08 - 2/31/08	2.50
11th International Symposium on Biosafety - ABSA Co-sponsor	Atlanta, GA	1/23/10 - 1/27/10	2.50
Preventing Zoonotic Disease Transmission in the Vivarium	Denver, CO	9/30/2010	0.50

ABSA Sponsored Professional Development Activities	Location	Date	CM Points Awarded
Hands-On Aseptic Technique & Equipment Training When Working with Animals Infected with BSL 2 & BSL 3 agents	Denver, CO	9/30/2010	0.50
Carriage of Infectious & Diagnostic Substances by Air - IATA accredited	Denver, CO	9/30/2010	1.00
Employing Principles of Adult Learning in the Development and Implementation of Case Studies	Denver, CO	9/30/2010	1.00
Process Biosafety	Denver, CO	10/1/2010	0.50
A Case-Based Approach for Practical Use of the NIH Recombinant DNA Guidelines	Denver, CO	10/1/2010	0.50
Doing What Works and Doing What Matters: Survival Skills for Today's Biosafety Professional	Denver, CO	10/1/2010	1.00
A New Tool for the Successful Development and Implementation of Select Agent Program-Required Exercises and Drills	Denver, CO	10/1/2010	0.50
Fundamentals of Biosafety	Denver, CO	10/1/2010	1.00
BSL-3 Operations & Management	Denver, CO	10/1/2010	1.00
Do's and Don'ts of Public Speaking and Presentations	Denver, CO	10/1/2010	0.50
Biosafety Management Techniques for Improving Organization Program Understanding and Support	Denver, CO	10/2/2010	1.00
Basic Virology and Virus-Based Gene Vectors	Denver, CO	10/2/2010	1.00
Introduction to Biofilms: Culture, Counting, Antimicrobial Resistance, In vitro Biofilm Assays and Animal Models of Infection	Denver, CO	10/2/2010	1.00
A Business Model for Managing Lab Regulatory and Accreditation Inspections	Denver, CO	10/2/2010	1.00
Introduction to Laboratory Biosecurity	Denver, CO	10/2/2010	0.50
Developing Biorisk Assessment Methods and Models	Denver, CO	10/2/2010	0.50
Fundamentals of the Class III Biosafety Cabinet	Denver, CO	10/2/2010	1.00
Laboratory Biosafety Training for BSL-3 Biosafety Professional, What They Need to Know Before Starting	Denver, CO	10/2/2010	1.00
Waste Water Management for High Containment Laboratories	Denver, CO	10/2/2010	0.50
Working Safely in a Biosafety Cabinet	Denver, CO	10/3/2010	0.50

ABSA Sponsored Professional Development Activities	Location	Date	CM Points Awarded
Biological safety in <i>Mycobacterium Tuberculosis</i> research	Denver, CO	10/3/2010	0.50
Responding to Laboratory Emergencies and Conducting Mishap Investigations	Denver, CO	10/3/2010	1.00
The Role of Threat Assessment in Laboratory Biosecurity Programs	Denver, CO	10/3/2010	1.00
Risk Assessment - A Basic Course	Denver, CO	10/3/2010	1.00
New NIH Design Requirements Manual for State-of-the -Art Biomedical Research Facilities	Denver, CO	10/3/2010	0.50
All You Want to Know About OSHA	Denver, CO	10/3/2010	0.50
Biosafety Training	Denver, CO	10/3/2010	1.00
Complying With U.S. Export Controls	Denver, CO	10/3/2010	1.00
Occupational Health and Surveillance and Monitoring in Biological Labs and Animal Facilities	Denver, CO	10/3/2010	0.50
Scientific Program	Denver, CO	10/4/10 - 10/7/10	3.0
ABSA Affiliates Meeting	Denver, CO	10/6/2010	1.00
Commissioning & De-commissioning, Operational Models	Baltimore, MD	2/6/2011	0.50
Carcass Disposal & Effluent Decontamination	Baltimore, MD	2/6/2011	0.50
High Consequence Livestock Pathogens	Baltimore, MD	2/6/2011	0.50
<i>BSL-3 Ag : The Good, The Bad, & The Ugly (Work Practices, Safeguards & Risk</i>	Baltimore, MD	2/6/2011	0.50
Introduction to Large Animal Biosafety	Baltimore, MD	2/6/2011	0.50
USDA ARS 1st International Biosafety and Biocontainment Symposium - Animal Production & Protection: Challenges, Risks, and Best Practices	Baltimore, MD	2/7/11 - 2/9/11	2.50
Principles & Practices of Biosafety	San Antonio, TX	3/7/10 - 3/11/10	5.00
